Dedication
Retirement of Mrs. Preston Foster

Mrs. Foster has been a great asset to the outlook of our school. Her service has been greatly appreciated from the time she arrived in '56 till her retirement in the Fall of '82. She is enjoying her retirement because she gets to visit her children more often.

I, Sheila Washington, will all my love and devotion to Daryl Scott; much happiness and success in the future to Sunny Sipple; best wishes and friendship always to Mandy and Modestine; my friendship forever to Kim, Bonnie, and Rhonda; last but not least, a muzzle to Emma Dowell and Eddie Rourke.

I, Kevin Watson, will a John Riggins jersey to Ruthie; a full scholarship to W.S.M.H. to Wendy and Denise; my Z128 to Cathi C.

I, Frances Willoughby, will all my secrets and friendship since the 8th grade to Tammy Glass; my friendship for the past 11 years and T.M.'s body to Jane Hawley; my position as treasurer in food services to Charlotte Rice; the best of luck with Alvin to Mary Kurtz; the best of luck next year to the class of '84.

I, Krista Withers, will all my love to Pete; a lifetime in the Bahamas to Chris and Donna; #1 softball team in the state to Mrs. Greene; not so many embarrassing moments playing pool to Pettis; Scott Amos' body to Cindy Brent.

I, Kelley Wood, will my marching ability to Kim Wood; the best drum major team next year to Sheryl Thomas; my locker to John Saunders; and a happy and fun time for the years to come to all the students.

I, Mike Wood, will a French book and a year's supply of Range Balls to Richard Eggleston; a year long vacation at South Boston to David Terry; season tickets to the Virginia games to Bryan Rittenhouse; a new laugh to Ken McGann; some men's golf clubs to Ed Armentrout; a year of silence to Debbie Hamilton.

I, Donna Woodson, will more good times like from the past with Mike and myself, to Clara and Danny; my best wishes to Lynn and Billy; more typists like Brian and myself to Mrs. Shelton; all my friends which are underclassmen, the best of luck in everything they do; and to Michael David Fitzgerald all my love, and the log cabin for our future.

I, Grover Woodson, will Tommy my Government teacher, Mr. Norris; to Jesse, my last locker; to Mr. Coyner, all my good luck.

I, Shirley Woodson, will Mrs. Major all the coming up classes; and to Frances Wood my homeroom teacher.

I, Ray Wright, will my weight set to Howell Watts; an undefeated football season to Coach League; nothing to my brother John; and the best of luck to the class of 1983.

Yearbook at it's BEST!

Sitting: B. Butler, F. Poutasse, B. Hughes, M. Turpin, D. Dodd, S. Swain, S. Floyd, T. Campbell, Y. Jackson, and K. Clark. Standing: Mrs. Hill — Advisor, L. Clark, K. Kidd, P. Goldstein, D. Rourke, Fonda Graybill, M. Purvis, C. Long, K. Campbell, and L. Bibb. Not pictured is Mrs. Delk — Advisor.

Putting the Yearbook into a completed form is a time consuming job. The staff sells ads to help with publishing costs; supervises Senior, Junior, Sophomore and Freshman pictures; determines the theme or overall impression of the annual; obtains or writes original copy; arranges, takes and develops candid photographs; hopefully meets deadlines and finally has published a memory book students will enjoy through the years.

The yearbook is not a commercial book; there is no profit only warmth and pride in the finished product. The book contains friends and experiences — both happy and sad. Each "Governor" is a pictorial essay of one school year to be fondly remembered.

Yearbook survived 1982-83 with two new sponsors and 5 returning members out of a staff of 19. The year was a teaching and learning experience for everyone. The year was punctuated with the professional photographer's illness and a sponsor's broken leg. The staff rallied around the delays and worked super hard to meet deadlines. 1982-1983 was a memorable year for all.

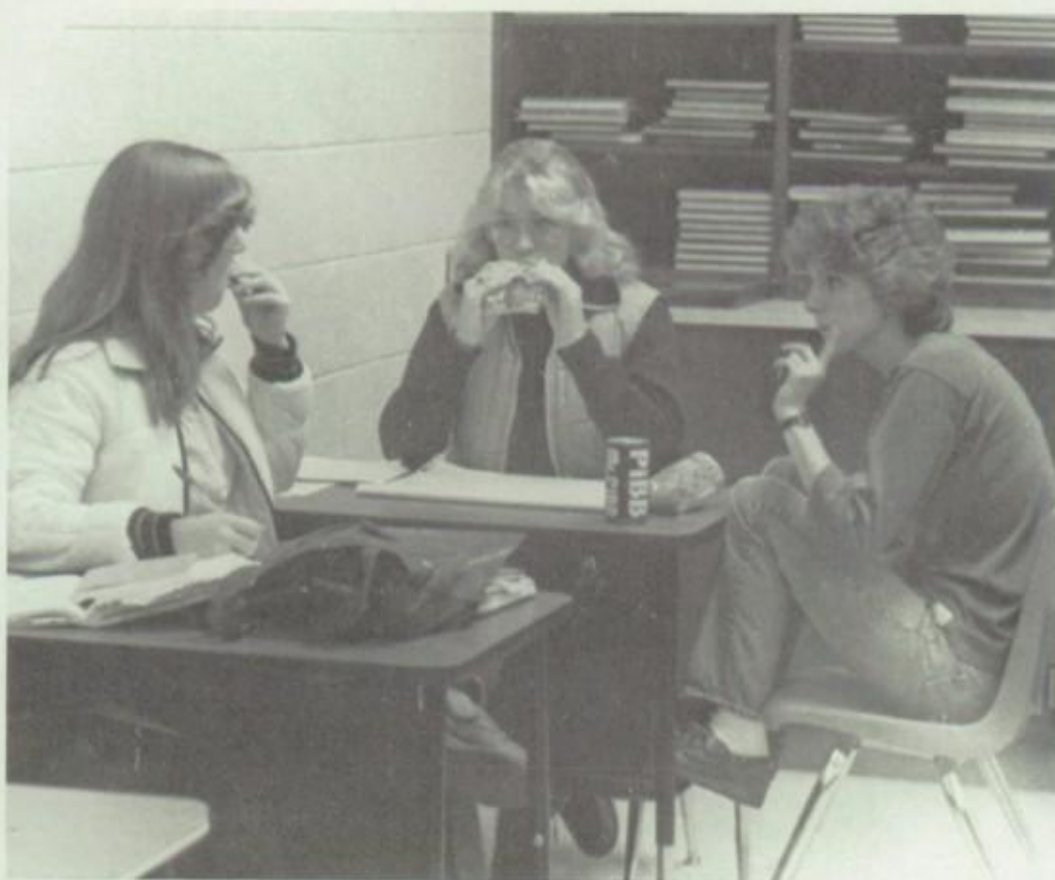

Can Martha take any more pressure?

Yearbook gets you everytime.

Hollywood at her BEST!

Can Tammy and Mrs. Delk ever find anything?

Future Farmers of America

The Nelson Senior Chapter of the Future Farmers of America started off the year with the annual Nelson County Fair. The FFA sponsored a Family Pig Roast the first night of the Fair, followed by the annual Pulpwood Throw, Haybale Throw, Greased Pig and Wood Splitting Contests on Saturday. The FFA chapter was once again invited to the National FFA Convention in Kansas City, Missouri, to receive a National award in the area of "Building Our American Communities."

The FFA has competed in several contests this year based on occupational and leadership skills. In the fall, the Senior Chapter participated in the Central Virginia Tractor Driving contest and the Federation Forestry Judging contest. In the early spring, the chapter participated in Parliamentary Procedures contests, Public Speaking contests, Crops Judging Contests, Lifestock Judging contests, and Farm Business Management contests.

This year the FFA challenged all clubs in the school to bring in more canned food during the annual FFA Canned Food Drive before Christmas. The FFA offered a \$100 cash prize to the club that brought in the most cans about what the FFA brought in. The FFA distributed the canned goods to five needy homes in Nelson County.

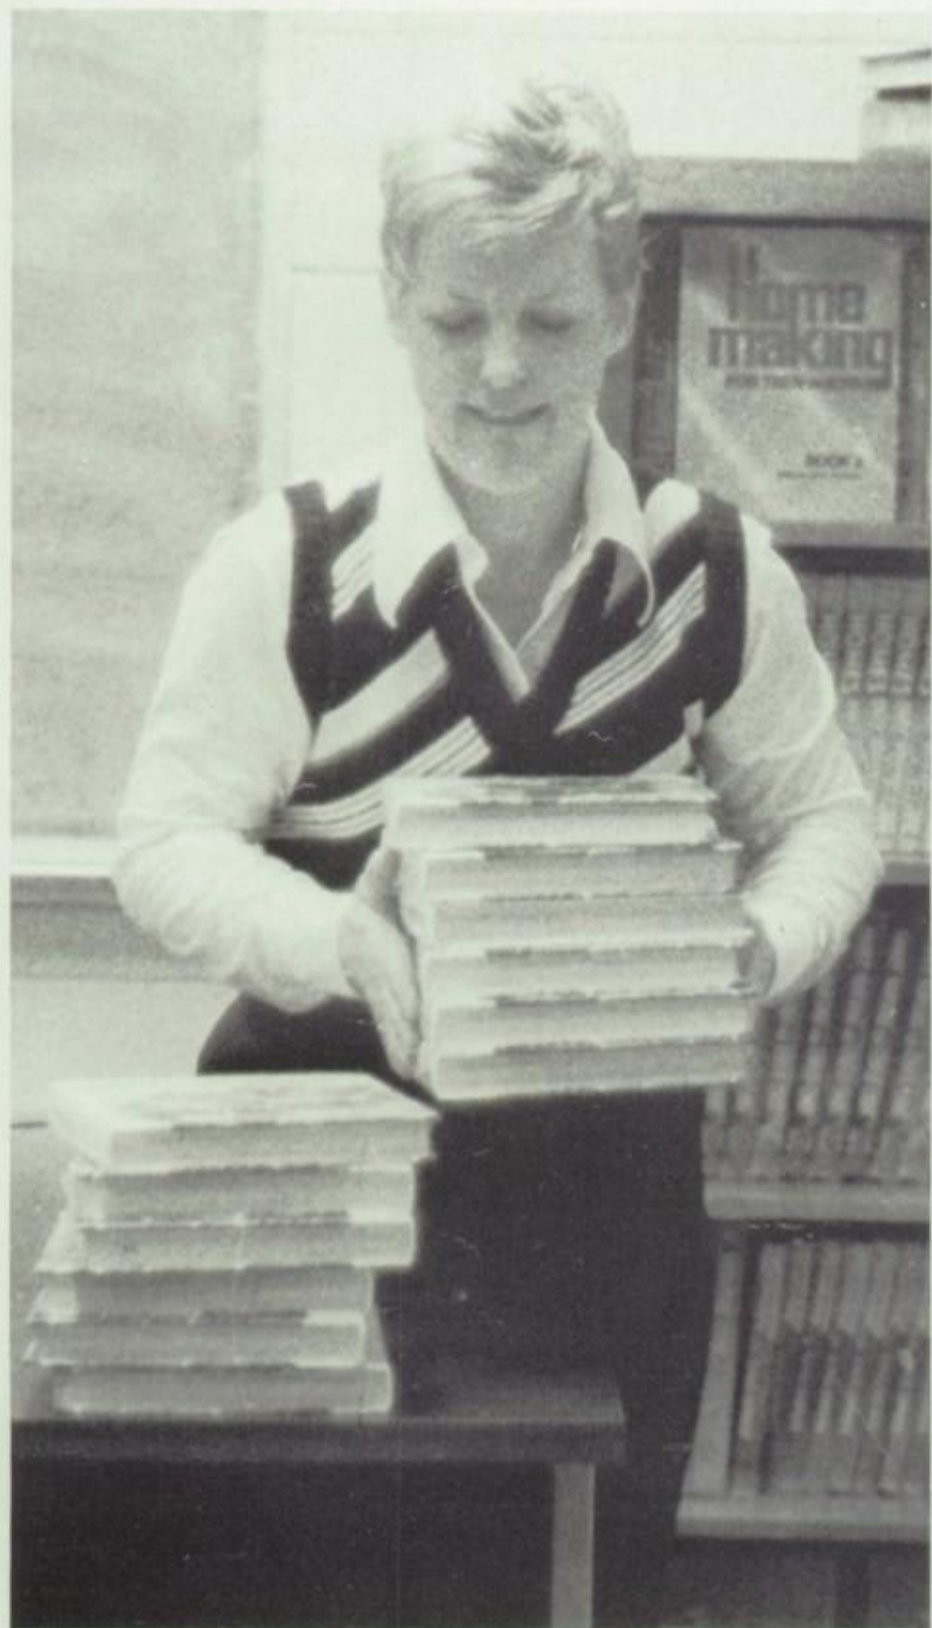

The chapter also planned to cut firewood for needy, elderly people in the county. The year will end with the annual parent-member awards banquet followed by a trip to Virginia Tech for the state FFA convention.

The Agape Club is a Christian organization of the High School. The word Agape is a Greek word meaning brotherly love. The club this year has been involved in collecting for UNICEF, giving Thanksgiving Baskets, and having Christian parties. Guest speakers came in and talked about different things facing teenagers today and about the temptations these present. This year the membership of the club has doubled.

Mr. Jim Garwood, the sponsor of this club, has had this position for the last 8 years and is still as enthusiastic as ever and has been a great influence.

Our club welcomes all denominations. After all when we die we all want to go to heaven.

DEBATE

The Debate team is coming off one of its most successful years ever. Last year they were Seminole District Champions for the second time in a row in all three divisions.

Having lost only two members from last year's team, Debate is looking for an even better season. They have already placed second and third in two area tournaments and have taken two four-man squad awards.

The District is tougher because of the addition of new teams, but Nelson still looks strong. Returning from last year are Richard Eggleston, Co-Captain, David Terry, Co-Captain, Jay Mabrey, Carrie Miller, and Starr Hurst. New members are Vanessa Hale, Deborah Cash, Melissa Cash, and Lolita Spencer. The team hopes to become experienced enough over the regular season so that they will again take the District titles, and advance through the Regionals to State. Last year Nelson was one of the best teams in the state with two teams finishing third at the state tournament. They are looking to repeat their successes.

Each November the senior food services students compete in the Virginia Restaurant Association Culinary Competition. This year Larry Tucker received the highest award. Larry received a silver and two bronze; Mark Wells — two bronze; Charles Cobbs — three bronze; Eddie Jackson — a bronze, and Ed Harris — two bronze.

In the Spring the seniors compete in the South-Central HERO Culinary Competition. Winners in the area may go

to the state competition held during the FHA-HERO State Leadership Conference.

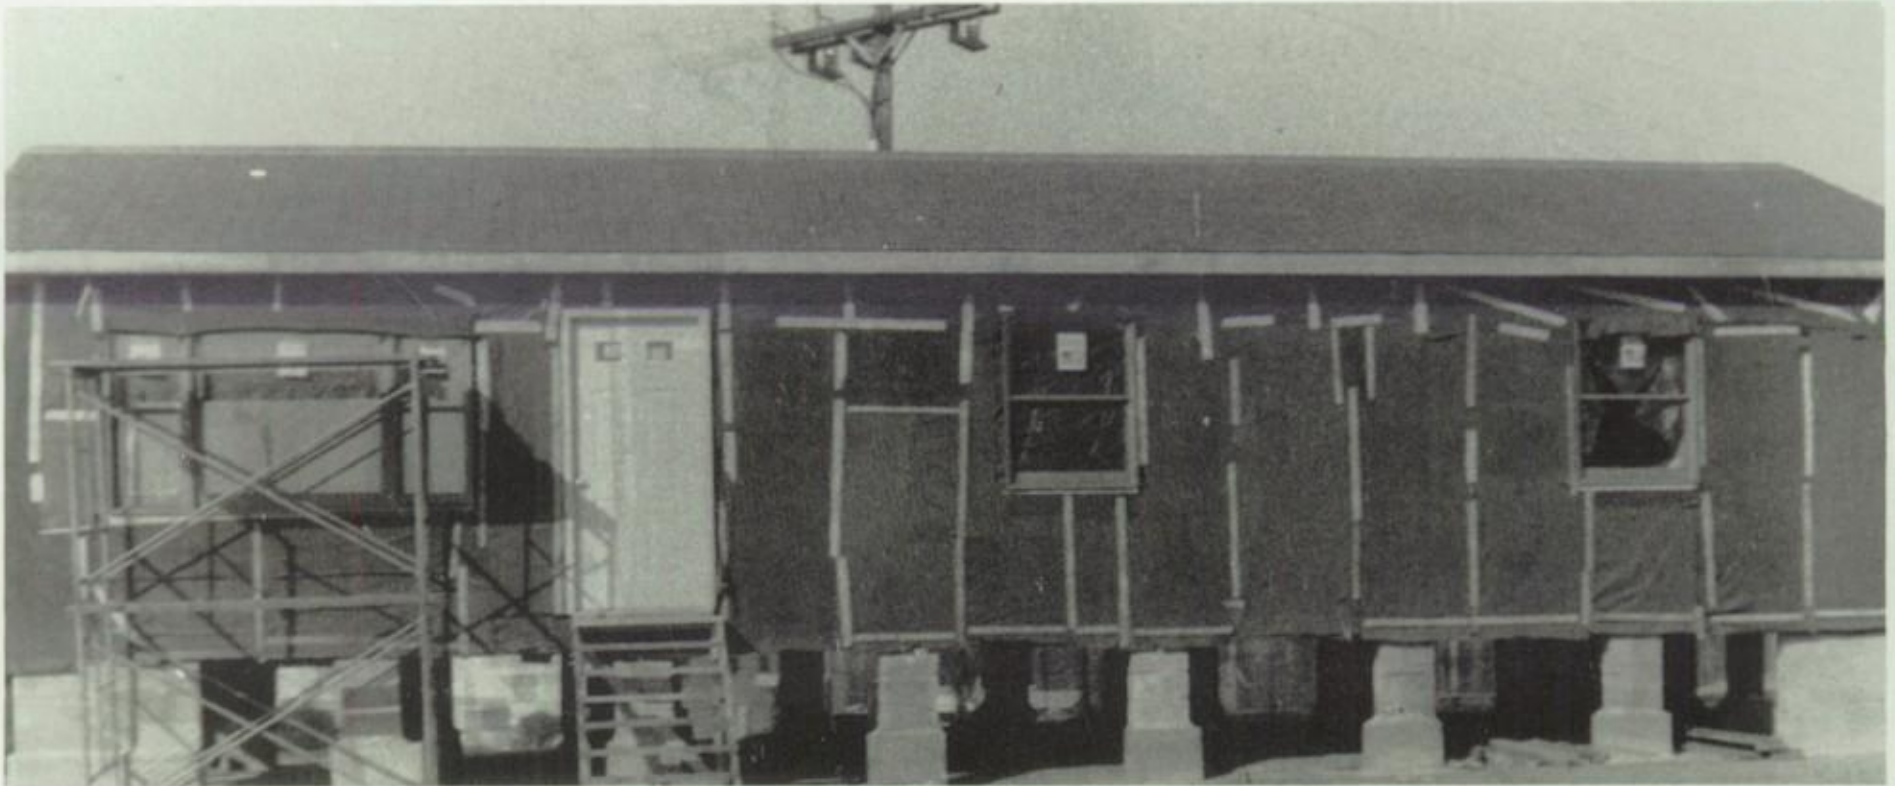

Special food sales are held at Christmas, Valentines Day, and orders may be placed for specialty cakes and food during the year.

This year the food services department served many school and community banquets, teas, and special events. HERO has sponsored two ball games during activity periods, winning both. Catering of special events include FBLA Tea, local Bank customers, Appreciation Day, Junior-Senior Prom, Nelson County Education Association Banquet, local Church dinners, luncheons for school organizations, and other functions.

Nelson County High School is fortunate to have a cosmetology directed by James Long.

It has proved to be useful in many ways. One of these ways is by helping students to learn a rewarding profession. It also makes students aware of the other aspects of the cosmetology theory. Cosmetology is not only open to the students but to the public as well.

Cosmetology is a block course that is taken in three years. After the course is completed the students may then take their state boards and get their license to be professional cosmetologists.

Cosmetology is part of VICA. Through the year we compete in various competitions. In February we entered the annual VICA District competition in Bedford and won several awards. We will compete in State competition in April.

At this rate, I'll never finish this paper.

The National Honor Society is an organization that gives special recognition to those students that do outstandingly in the areas of character, citizenship, leadership, and service throughout the school and community. To be a member, a junior must have no grades lower than a B and a senior must receive no less than a C.

The society plans to give a scholarship to a senior who is going to college. Also, working with the guidance department, members planned to tutor any student who needed help.

The French Club

Salut

Le club français était assez actif cette année. Nous avons fait des projets pour aller au Canada, à Montreal et à Quebec où on parle français, en été de 1983. Pour gagner l'argent pour ce voyage, nous avons joué au basketball avec le club espagnol (le rival!) deux fois. Nous avons vendu aussi les bonbons à l'école pendant deux semaines. Le club aime beaucoup manger! La classo française du troisième niveau a diné à un restaurant "continental" à Lynchburg. Le club entier a diné délicieusement avec nos parents et nos amis au dîner français annuel avec les plats vraiment français bien préparés par des étudiants (ou quelquefois, les parents.)

Coach League gets the point across on how to "WIN".

The 1982 Varsity football team posted the best record of any NCHS Football team in 10 years. The season started with a 32 — 6 win over non-conference James River, and was highlighted with a 14 — 14 tie with Brookville, knocking Brookville out of a district championship. The 6 — 3 — 1 record was the result of hard work, excellent leadership from captains Mark Wells, Ray Wright, Bobby Johnson, and a blend of seniors, juniors, and sophomores working together to form a winning team. For the 1st time in many years the seniors graduated with a winning record for their playing career at NCHS, 15 — 14 — 1. All District 1st Team: Ray Wright — Middle linebacker, Mark Wells — Kicker, Charles Cobbs — Tailback. Charles Cobbs rushed for 1,229 yds. on 249 carries and 17 Touchdowns. Creating an all-time record for rushing yards in one season at NCHS. The season produced not only a winning one but also one of exciting offense and determined defense. With many starters returning on offense and defense, the Governors look forward to another winning season in 1983.

The 82-83 J.V. Football squad didn't have the best record ever recorded, but the players showed willingness to learn from their mistakes. The team found their leadership and "winning attitude" from Leroy Alexander and Todd Campbell. The squad showed strength and courage. Within a few years, these guys will have a winning team. Led by Head Coach — William Gouldthorpe and Assistant Coach — Davy Camden, the 83-84 squad of J.V. boys seems promising because a lot of the players will be returning.

In fact, this was the best season Nelson County High has had in years. The captains were A. Martin and P. Bond. Angie Martin pulled the team through as high scorer and Paula Bond helped with her defense. Michelle Wood was the highest rebounder. Most importantly, the entire team worked together to help make this a winning season.

Coach Richard Greene

The 1982-83 Cross Country team this year is said to be young, inexperienced, and willing to do their best to make this a great season. There are two returnees from last year: Senior, David Angus, and Sophomore, Mike Cash.

They expected much help from a large group of sophomores out for the first time: Tracy Allen, Randy Hall, Jeff Harris, David King, Bernie McGinnis, and John Saunders.

The team matured quickly, and inexperienced runners quickly established themselves. From his first Seminole District race, Jeff Harris showed outstanding talent. Randy Hall became a solid "number two" runner with Angus, Cash, and Saunders rounding out the top five.

The team finished 2 — 3 overall and 1 — 3 in the district. Also participated in UVA, Lynchburg College, Woodberry Forest, and Albemarle Invitational meets. Jeff Harris was all-district runner, and finished fourth in the Region III. He advanced to the AA State race in his first year of running — a remarkable accomplishment.

Looking forward to next year with six returning lettermen!!

Leaving the others behind!

Standing: Randy Hall, Manager, Billy Brough, John Saunders, James Thompson, Keith Morse, Robert Giles, Ronnie Harris, Steve Foster, Kevin Wells, Edmund Briggs, Roderick Jones, Wayne Helbert, Colbert Elcox, Jeff Harris, Co-Captain, Coach Camden, Abraham Gray, Co-Captain.

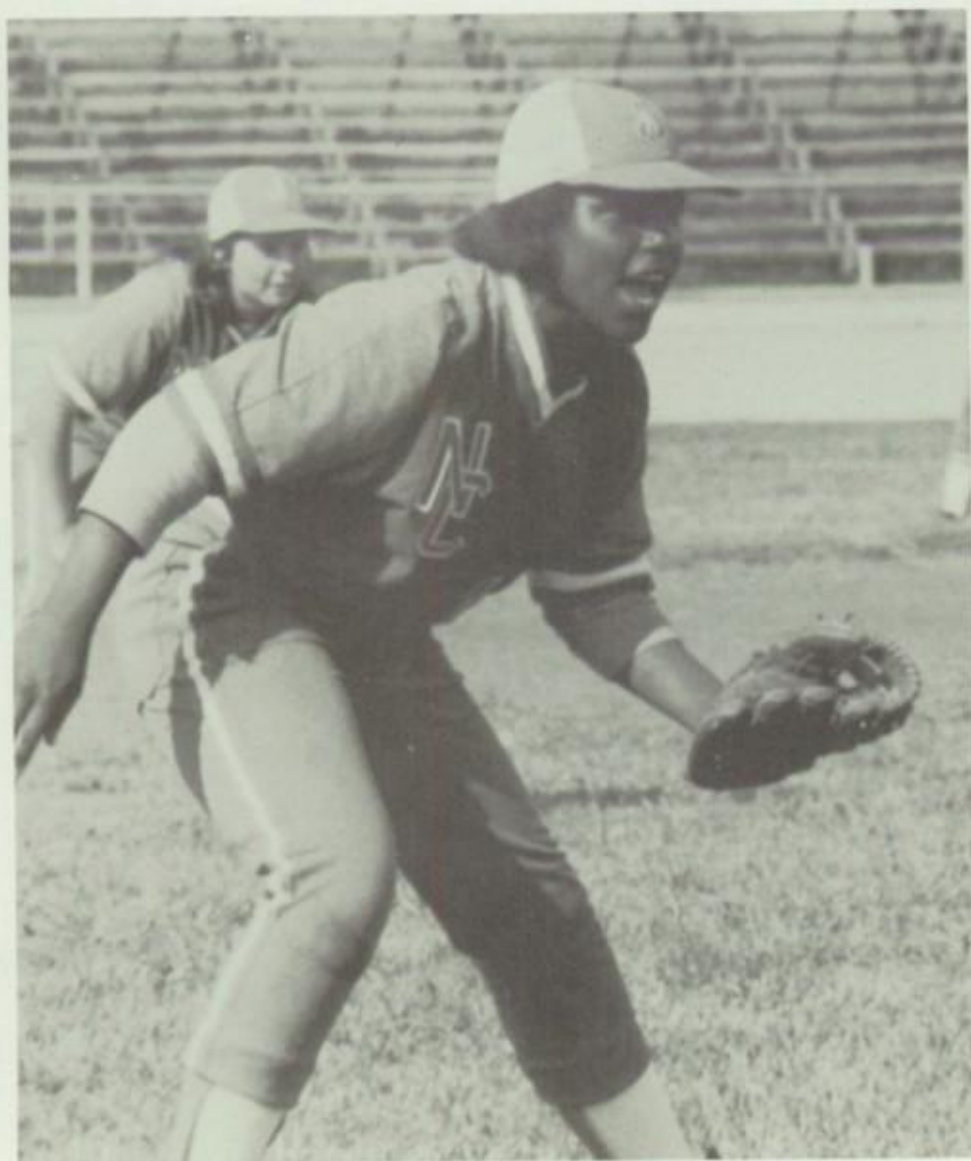

1982

R. Hudson, B. Harvey, T. Hudson, A. Hudson, M. Thompson, T. Taylor, S. Small, S. Fitzgerald, P. Bond, R. Flippin, K. Campbell, V. Crawford — Coach, C. McGarry — manager, C. Revely, B. Hagar, A. Miles, A. Greene — Head Coach.

Softball

Kelly and her photogenic swing!

Damn, I wish I could see!

? What's going on dude?

And I thought only old people got arthritis.

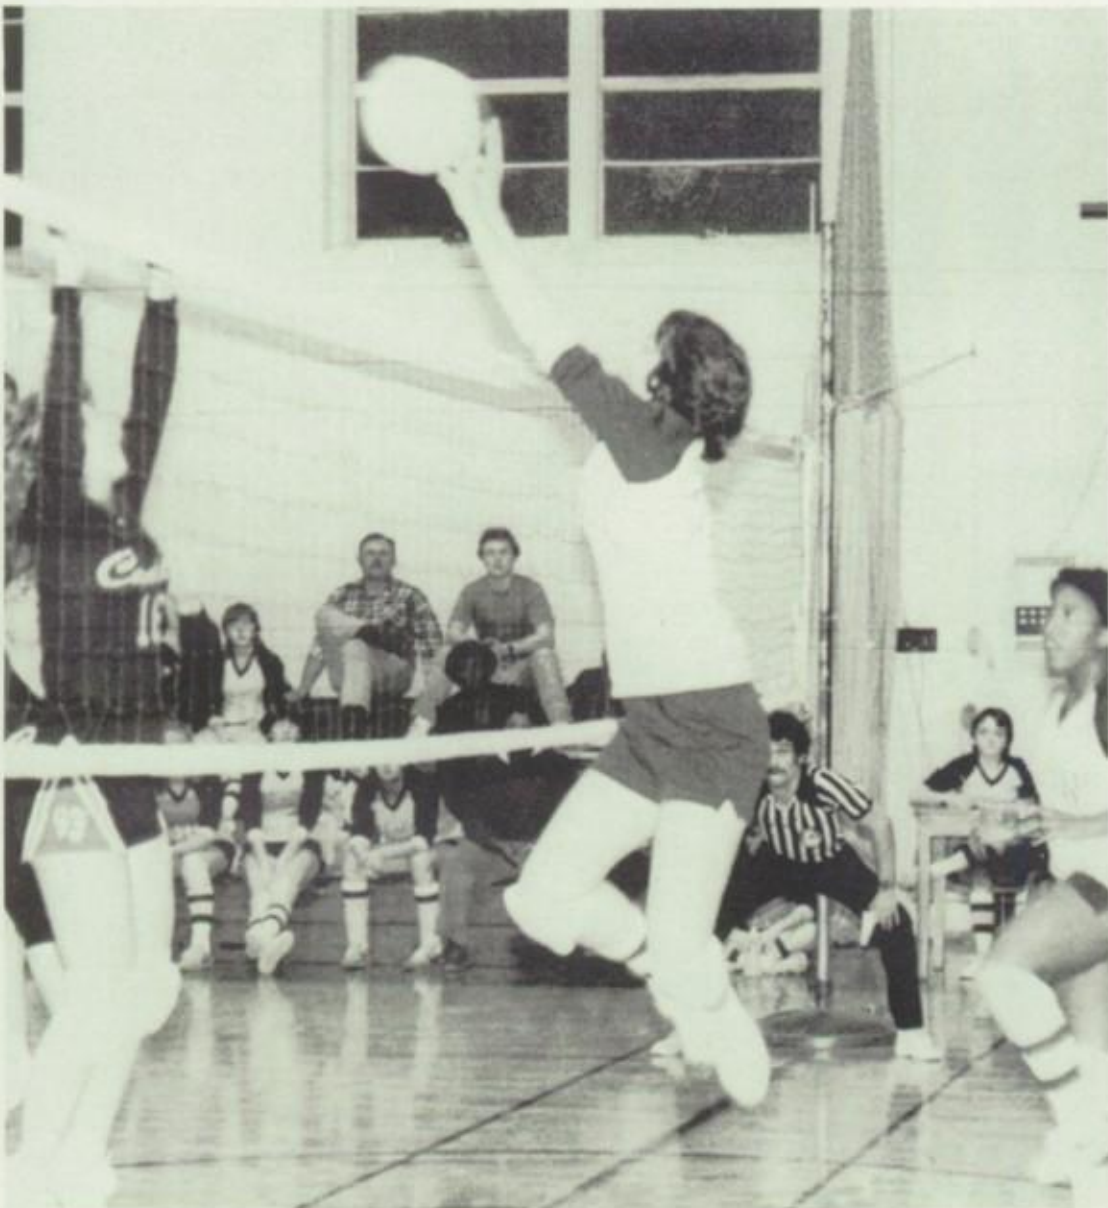

Volleyball

L. to R. First row: A. Hudson, D. Hamilton, B. Hudson, T. Leininger, and L. Stratton. Second row: T. Taylor, M. Wood, J. Lawhorne, P. Bond, and R. Cook. Third row: K. Kidd, P. Meade, W. Rittenhouse, and A. Napier. Fourth row: Coach V. Crawford, C. Brent, R. Flippin, A. Marin and Asst. Coach, C. Marks.

The Lady Governors Volleyball Team began another good season with coach Vicki Crawford and assistant coach Cynthia A. Marks. Even with four seniors and five returning underclass members, the team was a young team, but they learned to play together as a **team!**

Track

You must learn to crawl before you can run.

Mandy leaves her opponents behind.

Wait for me!!

The girls team faced a rebuilding season in '82. With only one senior returning, Alvetta Turner, who was hurt for most of the season, the outlook was dim. Working hard, the team improved every meet. Carolyn Smith was undefeated in regular season competition in the shot put. She also went on to become the district and regional champion and set a new regional record in the shot put. In the sprints, Renita Leftwich and Deidre Haywood participated in the regionals.

The boy's season was highlighted by the individual efforts of Danny Kennedy and Gilbert Martin. They both reached the state finals and performed well all season. Danny led the Governors in scoring all season and finished as a district champion in the high jump. Danny follows a long list of excellent track athletes. Several times he won as many as 4 events in a meet. With many returning lettermen, the outlook seems very bright for '83.

Kirk does his impersonation of Superman.

Frank displays true form.

Kelly defies the law of gravity.

It didn't look this high from down there.

Lena has troubles.

Mike, John, and Mike take time out to confer on their next plan.

What a time for my arthritis to act up!!

Is Bobby going forward or backward?

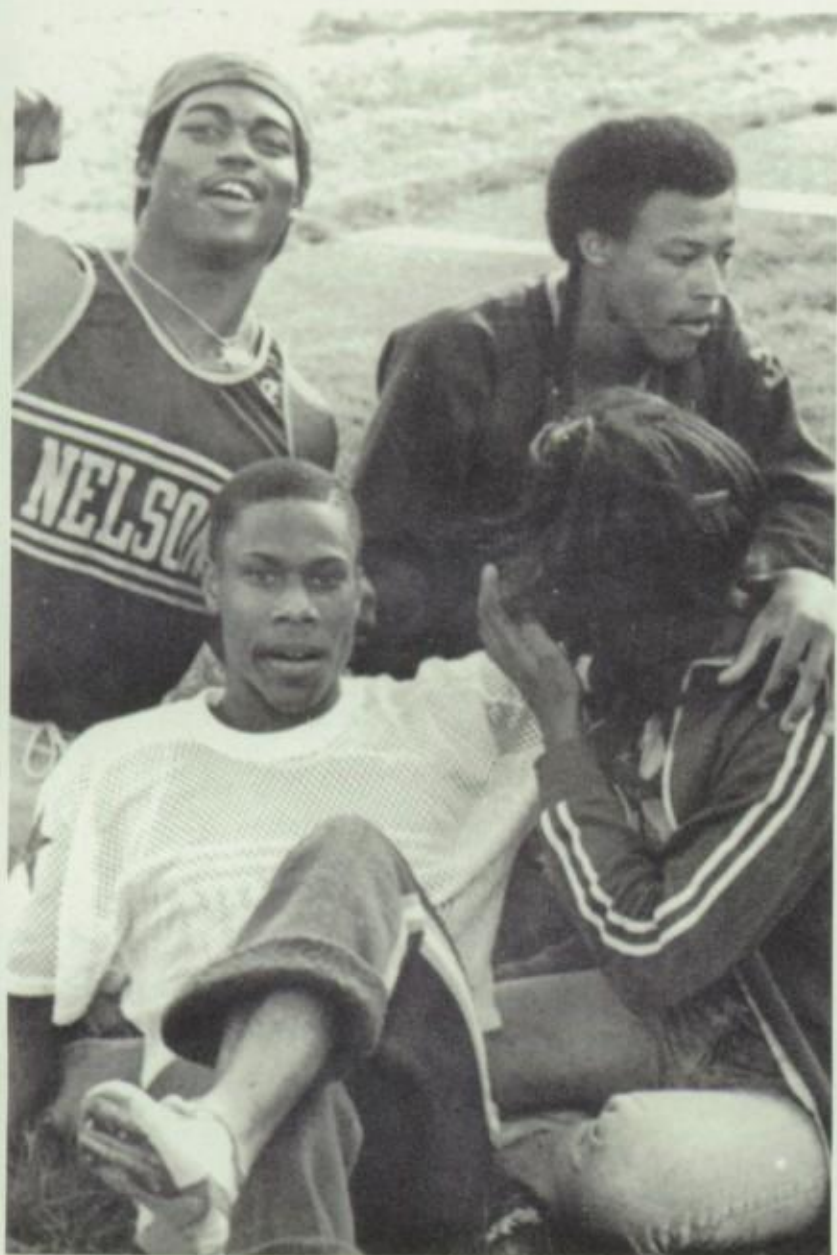

If looks could kill . . .

I think I can, I think I can . . .

Freda gets in the "swing" of things.

We get the hint, Henry.

Show us your best side.
